C. Activities of the Commission

1. Meetings

During the fiscal year Commission Members met on 5 occasions to specifically conduct internal Commission business. These meetings were held at Regina and Saskatoon.

Two meetings were held with Training Committee Members representing police forces in Regina, Saskatoon, Prince Albert, Moose Jaw, Weyburn, Estevan and the Saskatchewan Federation of Police Officers for the purpose of discussing matters related to recruit and in-service training programs.

One meeting was held with Chiefs of Police and Royal Canadian Mounted Police (RCMP) officials in Saskatoon on June 26th to discuss and establish policy guidelines for the care and handling of prisoners.

The Commission hosted a meeting with the Deputy Attorney General in Saskatoon on October 30th which was attended by the Associate Deputy Minister and General Counsel, Criminal Law, Director of Public Prosecutions, Director of Policing Branch, Department of the Attorney General; Provincial Court Judge R. J. Kucey; Chief B. Weafer, Highway Traffic Board; Officer in Charge Criminal Investigation Branch, RCMP; Chairmen of Boards of Police Commissioners; Chiefs of Police and Deputy Chiefs of Police for the purpose of discussing matters related to law enforcement generally within the province.

2. Visits

During the year the Executive Director personally visited all but one municipal police force in the province for the purpose of promoting a better understanding of the Commission and The Police Act and Regulations. In addition several special meetings were attended by invitation from Mayors or Chairmen of Boards of Police Commissioners to provide advice on matters relating to administration, policing and regulations passed under authority of The Police Act.

3. Crime Prevention

The Commission fully supports the efforts of all police forces in their activities and programs to reduce the incidents of crime and continues to act as provincial co-ordinator for the various programs.

Crime Prevention Co-ordinators for the various police forces in the province are:

Regina — Sergeant Bob Horning
Saskatoon — Sergeant Roy Philips
Prince Albert — Sergeant John Hosak
Moose Jaw — Constable Gordon Anderson
Estevan — Sergeant Bob Campbell
Weyburn — Inspector Gordon Dynna
R.C.M.P. — Sergeant Murray Carpenter

The Executive Director acts as Chairman for semi-annual meetings of Crime Prevention Co-ordinators and selected officers from the six major municipal police forces in the province, the RCMP and the Regional Representative of the Ministry of the Solicitor General. One meeting was held in Regina during the month of April 1981 and the second meeting was held in Moose Jaw during the month of October 1981. His Worship Mayor Herb Taylor was present and made the opening address at the Moose Jaw meeting.

Mayor Herb Taylor addressing Crime Prevention Co-ordinator's meeting in Moose Jaw.

Chief Al Huget addressing Crime Prevention Co-ordinator's meeting in Regina.

Of particular interest during the year was the production and distribution of football trading cards with a crime prevention message on the reverse side thereof. This program was developed in co-operation with Sean Quinlan, Marketing Manager of the Saskatchewan Roughrider Football Club and financed by the Saskatchewan Urban Municipalities Association (SUMA) and the Optimist Club. The Commission was responsible for the distribution and policy governing the distribution. Ten different cards were produced with one card in 25,000 copies released each week commencing August 31st for 10 consecutive weeks for a total distribution of 250,000 cards. Rules for distribution were as follows:

(a) Cards will be restricted to children attending elementary school only.

(b) In Regina, Saskatoon, Prince Albert and Moose Jaw the youngster wishing to obtain a card, must personally contact a patrolling, uniformed police officer who is not actively investigating a crime or an accident.

(c) In the cities of Weyburn and Estevan a child may obtain his or her card by personally contacting a police officer at the police station.

(d) In rural Saskatchewan the child must contact the nearest RCMP detachment.

(e) Only one card is to be given to a child in any one week of the program.

(f) A parent, brother or sister of an eligible recipient cannot obtain a card for him/her.

This program was an unqualified success, so much so that police forces had their allotment of cards distributed by the second or third day of each week. It is hoped this program can be expanded and carried on during the football season of 1982.

All Municipal Police Forces are involved in their own local crime prevention programs throughout the province and some of the more significant ones are outlined as follows:

78 • Vince Goldsmith
7 • Joe Barnes
12 • John Hufnagel
17 • Joey Walters
23 • Dwight Edwards

15. Provincial Awards for Police Officers

The Protocol Office has held meetings throughout the year relative to the developing and implementation of a provincially controlled awards and decoration system. Included in this program is the Commission's proposal for a Bravery Medal for police officers and civilians assisting the police.

16. Standardization of Police Records

A regulation covering municipal police records and filing systems was passed by the Commission on December 14, 1981 and was approved by the Attorney General on January 11, 1982 as Saskatchewan Regulation 32/82.

The Commission was fortunate to obtain the services of Constable W. Hargarten, Saskatoon City Police, to draft the necessary forms covered by this regulation and they will be

published in a Forms Manual in the near future. It is the Commission's intention to obtain the services of a police officer qualified in the area of filing systems to visit all municipal police forces to assist in setting up a proper filing system to meet the minimum requirements of this regulation. Yearly inspections of filing systems will be a requirement in the future.
